All Community Pharmacy  
contractors

25 January 2016

Dear Colleague

### **COMMUNITY PHARMACY REMUNERATION 2016/17**

The Health and Social Care Board (HSCB) has issued proposals for the Community Pharmacy pay offer (Global Sum) for the 2016/17 financial year. The HSCB has written to Community Pharmacy Northern Ireland (CPNI) in respect of these proposals to seek its views as part of a consultation process scheduled to run until 8 February 2016. A copy of the letter to CPNI and the draft equality screening document was issued to all Community Pharmacy contractors in December 2015.

The HSCB has extended the consultation period to 22 February 2016 and would welcome your response to its proposals and also any comment you might have in relation to the equality screening document.

A summary of the proposals and the equality screening associated with the consultation can be accessed on the HSCB website at the following link:

I would ask that you forward any response by 22 February 2016 to:
