

Working together to deliver the
right care, in the right place,
at the right time.

March 2014

Welcome to the first edition of the Integrated Care Partnerships eZine.

Integrated Care Partnerships (ICPs) are a key element of Transforming Your Care, and are a new way of working for the health service in Northern Ireland to transform how care is delivered. We hope you enjoy reading this eZine and encourage you to forward to others who might be interested by clicking on the envelope icon at the bottom of this eZine.

You can also keep up to date on the latest ICP developments at the webpages on the [website](#).

Integrated care initiatives agreed

A number of initiatives to deliver more joined up care have been developed and agreed by the two ICPs in the Western area and the three ICPs in the Southern area.

ICPs in focus

We're keen to share some of the great initiatives ICPs are putting in place to deliver better outcomes for patients, clients, carers, users and families. In this edition the focus is on falls prevention in the Western ICP area.
