

# In-Reach into Nursing Homes, Education and Development Programme

Dr Ian Kernohan  
Antrim / Ballymena

**Integrated Care Partnerships**  
Working together to deliver the  
right care, in the right place,  
at the right time.

# Aim.

**To maintain residents/patients safely  
in their home.**

Improve the Patient  
Experience

Engage with and  
support a  
Partnership Model  
with PNH

Enhance Clinical  
Skills Set of PNH  
Nurses

Foster a Person  
Centred Care  
Culture

Support more  
effective use of other  
Services

Reduce ED  
Attendance, Hospital  
Admissions and  
Reduce LOS
