The Department of Health in association with the HSC Leadership Centre invite you to the first of a series of Breakfast Webinars focusing on the future planning model for NI and the plans to establish an Integrated Care System (ICS NI).

This will be relevant to anyone working in health and social care, in local councils and community planning, the voluntary and community sector and to personal and public involvement groups and the general public.

Update on the Integrated Care System NI

Speakers:

Martina Moore Director of Organisational Change, Transformation, Planning & Performance Group, Department of Health NI
Paul Cavanagh Interim Director of Planning and Commissioning Health & Social Care Board

Reflections on the Opportunities and Challenges

Speakers:

Briege Donaghy Chief Executive
Regulation & Quality Improvement Authority
Joanne Vance Director Community Development
Health Network
